

## **UNIVERSITY OF HEALTH SCIENCES, LAHORE**

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - I** to review MD synopses to be held on **Wednesday, 5<sup>th</sup> July, 2023**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

<b>Sr. No.</b>	<b>Name of Candidate</b>	<b>Supervisor</b>	<b>Title</b>
1.	<b>Dr. Muhammad Ramzan</b>	<b>Prof. Shakeel Ahmad Leghari</b> Professor of Paediatrics D. G. Khan Medical College, Dera Ghazi Khan	Comparative efficacy of loading dose of phenytoin versus evetiracetam in hypoxic ischemic encephalopathy-stage II in full-term neonates
2.	<b>Dr. Asifa Kareem</b>	<b>Dr. Erum Afzal</b> Assistant Professor of Paediatrics The Children Hospital & the Institute of Child Health, Multan	Comparison of efficacy and safety of surfactant administration (lisa vs insure) on outcome of respiratory distress syndrome in preterm neonates
3.	<b>Dr. Rimsha Khalil</b>		Comparison of efficacy and safety of methylphenidate versus atomoxetine along with cognitive behavioral therapy for treatment of children with attention deficit hyperactive disorder
4.	<b>Dr. Jawad Qasim Khan</b>	<b>Dr. Ibad Ali</b> Associate Professor of Paediatrics The Children Hospital & the Institute of Child Health, Multan	Efficacy and safety of multiple micronutrient sachet (MMS) versus micronutrients syrup along with infant and young child feeding practices (IYCF) for the management of weight gain in children with moderate acute malnutrition
5.	<b>Dr. Muhammad Meraj Gul</b>	<b>Dr. Zulfiqar Ali Rana</b> Associate Professor of Paediatrics The Children Hospital & the Institute of Child Health, Multan	Comparison of efficacy and safety of piperacillin/tazobactam versus ceftazidime for treatment of febrile neutropenia in children
6.	<b>Dr. Haider Ali</b>	<b>Dr. Arif Zulqarnain</b> Associate Professor of Paediatrics The Children Hospital & the Institute of Child Health, Multan	Continuous versus intermittent nebulization of salbutamol in acute severe asthma in children
7.	<b>Dr. Robina Tariq</b>	<b>Prof. Muhammad Azam Khan</b> Professor of Paediatrics Nishtar Medical University, Multan	Comparison between slow versus rapid feeding advancement protocol in very low birth weight neonates
8.	<b>Dr. Sabah Ashraf</b>	<b>Dr. Sajid Mustafa</b> Associate Professor of Paediatrics Sahiwal Medical College, Sahiwal	Comparison of efficacy and safety of injectable levetiracetam and phenytoin in management of neonatal seizures in pediatric department Sahiwal Teaching Hospital, Sahiwal
9.	<b>Dr. Adeel Ahmad</b>	<b>Dr. Samia Naz</b> Associate Professor of Paediatrics The Children's Hospital & the Institute of Child Health, Lahore	Comparison of hypotonic fluids vs isotonic fluids for maintenance fluid therapy in Children Hospital
10.	<b>Dr. Javeria Mahmood</b>	<b>Dr. Muhammad Nasir Rana</b> Associate Professor of Paediatrics The Children's Hospital & the Institute of Child Health, Lahore	Comparison of mean duration of hospital stay in children admitted with pneumonia treated with vitamin C as an adjuvant therapy vs standard therapy alone

11.	Dr. Hafiza Zarnab Aslam	<b>Dr. Iqbal Bano</b> Associate Professor of Paediatrics The Children's Hospital & the Institute of Child Health, Lahore	Comparison of efficacy and safety of single dose tinidazole versus 3 days of nitazoxanide in treatment of giardiasis in children
12.	Dr. Gulzar Fatima	<b>Prof. Syed Muhammad Javed Iqbal</b> Professor of Paediatrics The Children's Hospital & the Institute of Child Health, Lahore	Comparison between nitazoxanide and metronidazole in the treatment of diarrhea caused by protozoa in children
13.	Dr. Irum Fatima	<b>Prof. Muhammad Faheem Afzal</b> Professor of Paediatrics Postgraduate Medical Institute, Lahore	Effectiveness of shorter 4-month regimen versus standard 6-month regimen for treatment of non-severe, smear-negative, pulmonary and peripheral lymph node tuberculosis in children aged 3 months to 15 years

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - I** to review MD synopses to be held on **Tuesday, 20<sup>th</sup> June, 2023**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
1.	Dr. Mustafa	<b>Prof. Ayesha Arif</b> Professor of Paediatrics Allama Iqbal Medical College, Lahore	Comparison of efficacy of nebulized salbutamol versus levosalbutamol in treatment of acute moderate asthma in children
2.	Dr. Sara Ijaz	<b>Prof. Muhammad Shahid</b> Professor of Paediatrics Postgraduate Medical College, Lahore	Role of nebulization with epinephrine and hypertonic saline versus nebulization with hypertonic saline alone in moderate bronchiolitis
3.	Dr. Maria Afzal	<b>Prof. Waqas Imran Khan</b> Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Comparison of efficacy and safety of conventional versus intensive insulin therapy for management of type 1 diabetes mellitus in children
4.	Dr. Faryad Hussain	<b>Dr. Ibad Ali Sindhu</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Comparison of weight gain in children with moderate acute malnutrition treated with multi micronutrient sachet (MMS) along with IYCF practices versus corn soya blend (CSB+) only
5.	Dr. Muhammad Zubair	<b>Dr. Sajjad Husain</b> Assistant Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Diagnostic Accuracy of gene Xpert and adenosine deaminase for diagnosis of tuberculous pleural effusion in children
6.	Dr. Muhammad Javed Iqbal (Revised)		Comparison of safety and efficacy of steroid plus standard treatment versus standard treatment alone in the management of acute myocarditis in children
7.	Dr. Muhammad Farhan Abbas	<b>Dr. Irum Afzal</b> Assistant Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Comparison of efficacy and safety of vitamin B6 and behavior modification therapy versus behavior modification therapy alone in children with autism
8.	Dr. Farooq Ahmed	<b>Dr. Nusrat Hussain</b> Assistant Professor of Paediatrics Nishtar Medical University, Multan	Comparison of outcome of oral amoxicillin versus cefadroxil therapy in the treatment of children presenting with pharyngitis at Nishtar Hospital Multan
9.	Dr. Shaheryar Khand (Revised)	<b>Dr. M. Tariq Aziz</b> Assistant Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Comparison of the efficacy and safety of zinc supplementation as an adjunct to standard therapy in reducing the frequency of relapses in steroid-sensitive nephrotic syndrome in children
10.	Dr. Atta Ul Haq Shah	<b>Dr. Nasir Rana</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of Mean HbA1c levels in Children with Type-I diabetes mellitus receiving Analogue (Glargine) Vs. Conventional (NPH) Insulin
11.	Dr. Safar Ali Shah	<b>Dr. Samia Naz</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of bacterial probiotic (Bifidobacterium and lactobacillus) versus fungal probiotics (Saccharomyces) in treating acute diarrhea in children age 6 months to 5 years

12.	Dr. Noor-Ul-Ain	<b>Dr. Muhammad Sarwar</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Correlation of Severity score of tetanus and its prognosis in pediatric intensive care unit of the children's Hospital and university of Child health sciences Lahore
13.	Dr. Humaira Liaqat <b>(Revised)</b>	<b>Prof. Ahsan Waheed Rathore</b> Vice Chancellor University of Health Sciences, Lahore	Comparative analysis of outcome of diphtheria in children of 2 age groups: Below 5 years and above 5 years of age

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - I** to review MD synopses to be held on **Tuesday, 13<sup>th</sup> June, 2023**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
	Dr. Muhammad Burhan Akram <b>(Revised)</b>	<b>Prof. Tayyaba Khawar Butt</b> Professor of Paediatrics Services Institute of Medical Sciences Lahore	Comparison of efficacy of oral ondansetron & oral dimenhydrinate in the management of acute gastroenteritis-related vomiting in pediatric emergency
2.	Dr. Muhammad Nadeem <b>(Revised)</b>	<b>Prof. Muhammad Azam Khan</b> Professor of Paediatrics Nishtar Medical University, Multan	Comparison of intermittent phototherapy versus continuous phototherapy in treatment of neonatal jaundice at a tertiary care hospital
3.	Dr. Aqib Javed <b>(Revised)</b>	<b>Dr. Wajiha Rizwan</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Efficacy of oral ondansetron in children with no/some dehydration due to acute gastroenteritis related vomiting; A randomized control trial
4.	Dr. Ali Hassan Raza <b>(Revised)</b>	<b>Dr. Amir Naseer</b> Associate Professor of Paediatrics Allama Iqbal Medical College, Lahore	Comparison of meropenem versus azithromycin in enteric fever
5.	Dr. Salman Khalid <b>(Revised)</b>	<b>Dr. Farah Naz</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of efficacy of calcium channel blockers plus chelation therapy versus chelation therapy alone in children with transfusion dependent thalassemia in terms of ejection fraction on echocardiography
6.	Dr. Tayyeb Umer <b>(Revised)</b>	<b>Dr. Muhammad Nasir Rana</b> Associate Professor The Children's Hospital and the Institute of Child Health, Lahore	To compare the effect of vitamin-e supplementation as adjuvant therapy in neonatal jaundice in combination with phototherapy
7.	Dr. Mohammad Khalid Javed <b>(Revised)</b>	<b>Dr. Afsheen Batool Raza</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison efficacy of nebulized epinephrine versus salbutamol in hospitalized children with bronchiolitis
8.	Dr. Hussnain Qadir <b>(Revised)</b>	<b>Dr. Nusrat Hussain</b> Assistant Professor of Paediatrics Nishtar Medical University, Multan	Comparison of efficacy of intravenous ceftriaxone to oral cefixime in treatment of children with typhoid fever confirmed on blood culture
9.	Dr. Ishlamuddin Ansari <b>(Revised)</b>	<b>Dr. Muhammad Arshad</b> Associate Professor of Paediatrics Sargodha Medical College Sargodha	Comparison of efficacy of nebulized magnesium sulphate with intravenous magnesium sulphate; a case study of 80 children's with acute asthma
10.	Dr. Nadir Hayat <b>(Revised)</b>	<b>Dr. Sajid Mustafa</b> Associate Professor of Paediatrics Sahiwal Medical College, Sahiwal	Comparison of efficacy of probiotic (lactobacillus rhamnosus) plus zinc as add on therapy versus conventional treatment of pneumonia in children
11.	Dr. Maria Hussain <b>(Revised)</b>		Efficacy of intermittent versus continuous phototherapy for reducing neonatal hyperbilirubinemia

12.	Dr. Muhammad Maroof Ali <b>(Revised)</b>	<b>Dr. Samia Naz</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Clinical efficacy of Fosfomycin versus ciprofloxacin in the treatment outcome of uncomplicated urinary tract infection in pediatric age group
13.	Dr. Abdul Hameed <b>(Revised)</b>		Comparison of outcome between lactose free formula milk and yogurt in treatment of persistent diarrhea associated with secondary lactose intolerance
14.	Dr. Hizbullah <b>(Revised)</b>	<b>Dr. Muhammad Sarwar</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of the effect of close and open endotracheal suction systems of the development of ventilator associated pneumonia among children admitted to pediatric intensive care unit
15.	Dr. Mir Ahmed Raza <b>(Revised)</b>		Comparative efficacy of fentanyl and midazolam to achieve sedation in ventilated children
16.	Dr. Eqra Sabir <b>(Revised)</b>		Comparison between the sensitivity of gastric lavage with bronchoalveolar lavage to isolate mycobacterium tuberculosis in childhood pulmonary tuberculosis
17.	Dr. Muhammad Farman Raza <b>(Revised)</b>	<b>Dr. Aisha Iftikhar</b> Assistant Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of electrolyte imbalance between malnourished and healthy children's presenting with acute watery diarrhea
18.	Dr. Nimra Waqar <b>(Revised)</b>		Comparison of hypertonic saline versus hypertonic saline and mucolytic in hospitalized bronchiectasis patients

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - I** to review MD synopses to be held on **Tuesday, 24<sup>th</sup> January, 2023**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
	<b>Dr. Shree Kant Kushwaha (Revised)</b>	<b>Prof. Humayun Iqbal Khan</b> Former Professor of Paediatrics Services Institute of Medical Sciences Lahore	Effect of improvised nasal continuous positive airway pressure in Non-severe Bronchiolitis in children under 2 years of age
2.	<b>Dr. Jamal Ashraf (Revised)</b>	<b>Dr. Aamer Naseer</b> Associate Professor of Paediatrics Allama Iqbal Medical College, Lahore	Comparison of outcome of acute pneumonia in paediatric patients treated with standard regime versus standard regime along with vitamin D supplementation
3.	<b>Dr. Amina Tahir (Revised)</b>	<b>Dr. Afsheen Batool Raza</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of Diazepam versus Valproic acid for prophylaxis of febrile fits in children
4.	<b>Dr. Muhammad Khalid Javed</b>		Comparison efficacy of nebulized epinephrine versus salbutamol in hospitalized children with bronchiolitis
5.	<b>Dr. Eqra Sabir (Revised)</b>	<b>Dr. Muhammad Sarwar</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison between the sensitivity of gastric lavage with bronchoalveolar lavage to isolate mycobacterium tuberculosis in childhood pulmonary tuberculosis
6.	<b>Dr. Hizbullah</b>		Comparison of the effect of closed and open endotracheal suction systems on the development of ventilator associated pneumonia among children admitted to paediatric intensive care unit
7.	<b>Dr. Ambreen Amna (Revised)</b>	<b>Dr. Muhammad Nasir Rana</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of RBC indices at 6 months of age in infants of different feeding patterns after introduction of elemental iron
8.	<b>Dr. Abdul Hameed</b>	<b>Dr. Samia Naz</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Lahore	Comparison of outcome between lactose free formula milk and yogurt in treatment of persistent diarrhea associated with secondary lactose intolerance
9.	<b>Dr. Amber Hamid</b>		Comparison of methotrexate receptors in methotrexate responders and non-responder groups in patients of juvenile idiopathic arthritis
10.	<b>Dr. Ishfaq Hussain (Revised)</b>	<b>Dr. Azam Khan</b> Associate Professor of Paediatrics Nishtar Medical University Multan	Comparison of outcomes of led phototherapy with conventional phototherapy in treatment of neonatal jaundice
11.	<b>Dr. Sohaib Shabbir</b>	<b>Dr. Sajid Mustafa</b> Associate Professor of Paediatrics Sahiwal Medical College, Sahiwal	To Compare therapeutic efficacy of nebulized epinephrine versus nebulized hypertonic saline in infants with moderated bronchiolitis
12.	<b>Dr. Nadir Hayat</b>		Comparison of efficacy of probiotics plus zinc as add on therapy versus conventional treatment of pneumonia in children

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - II** to review MD synopses to be held on **Thursday, 26<sup>th</sup> January, 2023**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
	<b>Dr. Arooj Fatima Asad</b>	<b>Dr. Lubna Riaz</b> Associate Professor & Head Department of Paediatrics Medicine Shaikh Zayed Postgraduate Medical Institute, Lahore	Diagnostic accuracy of interleukin-6 in neonatal sepsis in term neonates
2.	<b>Dr. Mariam Abid</b> <b>(Revised)</b>	<b>Dr. Farrah Naz</b> Associate Professor of Paediatrics Medicine The Children's Hospital and the Institute of Child Health, Lahore	Role of Zinc supplementation in reduction of relapses in children with steroid sensitive nephrotic syndrome
3.	<b>Dr. Hafiz Abdul Qayyum Shahzad</b>	<b>Dr. Muhammad Sarwar</b> Associate Professor of Paediatrics Intensive Care Unit The Children's Hospital and the Institute of Child Health, Lahore	Comparative efficacy of sildenafil and bosentan in newborn with persistent pulmonary hypertension
4.	<b>Dr. Mir Ahmed Raza</b>		Comparative efficacy of fentanyl and midazolam to achieve sedation in ventilated children
5.	<b>Dr. Nimra Waqar</b>	<b>Dr. Aisha Iftikhar</b> Assistant Professor of Paediatrics Medicine The Children's Hospital and the Institute of Child Health, Lahore	Comparison of hypertonic saline with hypertonic saline & mucolytics in hospitalized bronchiectasis patient
6.	<b>Dr. Shahid Latif</b>	<b>Dr. Asma Mushtaq</b> Associate Professor of Paediatrics Medicine The Children's Hospital and the Institute of Child Health, Lahore	Comparison of oral versus injectable vitamin-D for the treatment of nutritional vitamin-D Deficiency rickets
7.	<b>Dr. Marvee Sharif</b>	<b>Prof. Itaat Ullah Khan Afridi</b> Head of Paediatrics Medicine Nawaz Sharif Medical College, Gujrat	Comparison of IV levetiracetam and phenytoin in controlling generalized seizures not responding to first-line AEDs in paediatrics emergency of ABSTH, Gujrat
8.	<b>Dr. Unza Afzal</b> <b>(Revised)</b>	<b>Dr. Zahid Mehmood Anjum</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Faisalabad	Comparison of one bag system with two bag system in management of diabetic ketoacidosis in paediatrics population
9.	<b>Dr. Barera Maryam</b>	<b>Dr. Nusrat Hussain Buzdar</b> Assistant Professor of Paediatrics Nishtar Medical University, Multan	Comparative efficacy of cefixime and ciprofloxacin in the treatment of urinary, tract infection in children
10.	<b>Dr. Hussain Qadir</b>		Comparison of efficacy of intravenous ceftriaxone to oral cefixime in treatment of children with typhoid fever confirmed on blood culture
11.	<b>Dr. Rana Muhammad Ikram</b>	<b>Dr. Irum Afzal</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Effect of play-based family centered psychomotor/psychosocial stimulation on the development of severely acutely malnourished children under six years in low-income setting

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - II** to review MD synopses to be held on **Tuesday, 06<sup>th</sup> December, 2022**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
	<b>Dr. Ishlamuddin Ansari</b>	<b>Dr. Muhammad Arshad</b> Associate Professor of Paediatrics Sargodha Medical College, Sargodha	Comparison of efficacy of nebulized magnesium sulphate with intravenous magnesium sulphate: A case study of 80 children's with acute asthma
2.	<b>Dr. Sidra Ameen</b>	<b>Dr. Amir Rasheed</b> Associate Professor of Paediatrics Postgraduate Medical Institute, Lahore	Comparison of frequency of fungal infection in extremely low birth weight neonates treated with and without Prophylactic Fluconazole
3.	<b>Dr. Abeera Tahreem</b>	<b>Prof. Muhammad Shahid</b> Head Department of Paediatrics Postgraduate Medical Institute, Lahore	Role of Probiotics in prevention of necrotizing enterocolitis in premature neonates
4.	<b>Dr. Muhammad Ahmad Akram Rana</b>	<b>Prof. Ayesha Arif</b> Head of Paediatrics Department Allama Iqbal Medical College, Lahore	Comparison of efficacy and tolerability of ferrous sulphate and iron polymaltose iron deficiency Anemia Children aged 2 to 6 years
5.	<b>Dr. Mustafa</b>		Comparison of efficacy of nebulized salbutamol versus levosalbutamol in treatment of acute moderate asthma in children
6.	<b>Dr. Muhammad Nadeem</b>	<b>Prof. Muhammad Azam Khan</b> Professor of Paediatrics Department, Nishtar Medical University, Multan	Comparison of intermittent phototherapy versus continuous phototherapy in treatment of neonatal jaundice at a tertiary care hospital
7.	<b>Dr. Nimra Waqar</b>	<b>Dr. Aisha Iftikhar</b> Assistant Professor Department of Paediatrics Medicine The Children's Hospital & the Institute of Child Health, Lahore	Comparison of hypertonic saline with hypertonic saline & mucolytic in hospitalized bronchiectasis patients
8.	<b>Dr. Muhammad Farman Raza</b>		Comparison of electrolyte imbalance between malnourished and healthy childrens presenting with acute diarrhoea
9.	<b>Dr. Noor-Ul-Ain Nisar</b>	<b>Dr. Muhammad Sarwar</b> Associate Professor Department of Paediatrics Medicine The Children's Hospital & the Institute of Child Health, Lahore	Correlation of serverity score of tetanus and its prognosis in patients in critical intensive care unit of The Children's Hospital & The Institute of Child Health, Lahore

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics - I** to review MD synopses to be held on **Tuesday, 29<sup>th</sup> November, 2022**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate	Supervisor	Title
	<b>Dr. Muhammad Uzair Asghar</b>	<b>Prof. Ayesha Arif</b> Head, Department of Paediatrics Allama Iqbal Medical College Lahore	Comparison of efficacy of intravenous hydrocortisone versus oral prednisolone in treatment of acute pediatric asthma
2.	<b>Dr. Muhammad Bilal Hamzah</b>	<b>Dr. Ibad Ali</b> Associate Professor of Paediatrics The Children's Hospital and the Institute of Child Health, Multan	Efficacy and safety of home-made cereal (QUINOA) based high density diet versus standard RUTF for the management of uncomplicated severe acute malnutrition at OTC (Outpatient Therapeutic Centre)
3.	<b>Dr. Sidra Ahmed</b>	<b>Prof. Ameer Ahmad Malik</b> Professor of Paediatrics Quaid-e-Azam Medical College Bahawalpur	Comparison of transcutaneous bilirubin measurement and total serum bilirubin level in preterm neonates before and after phototherapy
4.	<b>Dr. Muhammad Burhan Akram</b>	<b>Prof. Tayyaba Khawar Butt</b> Professor of Paediatrics Services Institute of Medical Sciences, Lahore	Comparison of efficacy of oral ondansetron & oral dimenhydrinate in the management of acute gastroenteritis related vomiting in pediatric emergency
5.	<b>Dr. Muhammad Sheraz Faisal (Revised)</b>		Comparative efficacy of oral vs intravenous paracetamol in management of fever in children
6.	<b>Dr. Usman Javed (Revised)</b>	<b>Dr. Najaf Masood</b> Associate Professor of Paediatrics Services Institute of Medical Sciences, Lahore	Comparison of efficacy of midazolam versus levetiracetam in neonatal seizures not responding to phenytoin
7.	<b>Dr. Ammara Iftikhar</b>	<b>Prof. Muhammad Rafique</b> Professor of Paediatrics Services Institute of Medical Sciences, Lahore	Comparative and additive efficacy of salbutamol and ipratropium bromide in the management of acute moderate asthma
8.	<b>Dr. Jawad Nawaz</b>	<b>Dr. Iqbal Bano</b> Associate Professor of Paediatrics The Children Hospital and the Institute of Child health, Lahore	Comparison between racecadotril versus placebo use in 6 months to 5 years old children presenting with acute watery diarrhea having mild to moderate dehydration
9.	<b>Dr. Muhammad Maroof Ali</b>	<b>Dr. Samia Naz</b> Associate Professor of Paediatrics The Children Hospital and the Institute of Child Health, Lahore	Clinical efficacy of Fosfomycin versus ciprofloxacin in the treatment outcome of uncomplicated urinary tract infection in pediatric age group
10.	<b>Dr. Muhammad Mustafa</b>		Comparison of efficacy of levetiracetam and valproic acid as second line drug in the management of pediatric refractory status epilepticus in children between 2 to 16 years age
11.	<b>Dr. Komal Khadim Hussain</b>	<b>Dr. Azhar Farooq</b> Assistant Professor of Paediatrics Services Institute of Medical Sciences Lahore	Role of Probiotic use in outcomes of premature birth

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics** to review MD synopses to be held on **Tuesday, 25<sup>th</sup> October, 2022**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Hafiz Rizwan Shahzad (Revised)</b>	<b>Dr. Asma Mushtaq</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparative study of steroid versus intravenous immunoglobulin in the treatment of acute immune thrombocytopenic purpura
2.	<b>Dr. Mariam Abid (Revised)</b>	<b>Dr. Farrah Naz</b> Associate Professor of Pediatrics The Children Hospital and The Institute of Child Health, Lahore	Role of zinc supplementation in reduction of relapses in children with steroid sensitive nephrotic syndrome
3.	<b>Dr. Salman Khalid</b>		Comparison of efficacy of calcium channel blockers plus iron chelation therapy versus chelation therapy alone in children with transfusion dependent thalassemia
4.	<b>Dr. Ifra Rafaqat</b>	<b>Dr. Asfand Tariq</b> Associate Professor of Paediatrics Sheikh Zayed Postgraduate Medical Institute, Lahore	Comparison between effectiveness of probiotic and racecadotril in management of acute watery diarrhea in pediatric patients
5.	<b>Dr. Waqas Ali Khan</b>	<b>Dr. Lubna Riaz</b> Assistant Professor of Pediatrics Sheikh Zayed Postgraduate Medical Institute, Lahore	Diagnostic accuracy of procalcitonin level in viral and bacterial pneumonia under 4 years of age
6.	<b>Dr. Jamal Ashraf</b>	<b>Dr. Aamer Naseer</b> Associate Professor of Paediatrics Allama Iqbal Medical College, Lahore	Comparison of outcome acute pneumonia in pediatric patients treated with standard regime versus standard regime along with vitamin D supplementation
7.	<b>Dr. Muhammad Bilal (Revised)</b>	<b>Prof. Muhammad Saleem</b> Professor of Paediatrics & Principal Shaikh Zayed Medical College, Rahim Yar Khan	Effects of iron supplementation on neurocognitive development of children
8.	<b>Dr. Tenveer Ahmed (Revised)</b>	<b>Prof. Mudassar Hussain</b> Professor of Paediatrics Khawaja Muhammad Safdar Medical College, Sialkot	Efficacy of intravenous levetiracetam versus phenytoin in neonatal seizures
9.	<b>Dr. Zulfiqar Ali (Revised)</b>	<b>Prof. Muhammad Azam Khan</b> Head, Department of Pediatrics Nishtar Medical University, Multan	Comparison of mean total serum bilirubin level after vitamin D plus phototherapy versus phototherapy alone in treatment of neonatal jaundice at a tertiary care hospital
10.	<b>Dr. Sajjad Ahmed</b>	<b>Dr. Ibad Ali Sindhu</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Multan	Efficacy and safety of fluoxetine in Childhood depression
11.	<b>Dr. Mahreen Siddique</b>	<b>Prof. Asim Khurshid</b> Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of efficacy and safety of two bag system versus conventional one bag treatment for management of DKA in Children

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Khushbakht Sharif (Revised)</b>	<b>Dr. Muhammad Nasir Rana</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparison of serum electrolytes imbalance in persistent diarrhea in moderate acute malnutrition versus severe acute malnutrition
2.	<b>Dr. Ayesha Arooba</b>	<b>Prof. Muhammad Yasin Alvi</b> Professor of Paediatrics The Children's Hospital and The Institute of Child Health Lahore	To determine the effect of rotavirus vaccine on severity of diarrhea in vaccinated & un-vaccinated children
3.	<b>Dr. Hina Shafeeq</b>	<b>Dr. Samia Naz</b> Associate Professor of Pediatrics The Children Hospital and The Institute of Child Health, Lahore	Comparison of anemia in well-nourished and malnourished children aged 6 months to 05 years
4.	<b>Dr. Amna Zaman</b>	<b>Prof. Muhammad Shahid</b> Professor of Pediatrics Postgraduate Medical Institute/Lahore General Hospital Lahore	Role of colistin nebulization in patients with ventilator associated pneumonia
5.	<b>Dr. Raza Zafar</b>	<b>Prof. Azher Shah</b> Professor of Paediatrics Gujranwala Medical College/ DHQ Teaching Hospital Gujranwala	Comparison of efficacy of ferrous sulfate vs iron polymaltose in children with iron deficiency anemia
6.	<b>Dr. Nayab Arshad</b>	<b>Prof. Muhammad Amin Sheikh</b> Head, Department of Pediatrics Unit-II Quaid-e-Azam Medical College/ Bahawal Victoria Hospital, Bahawalpur	Comparison of efficacy of daily versus alternate day oral iron therapy in the treatment of iron deficiency anemia
7.	<b>Dr. Muhammad Adil Nawaz</b>	<b>Dr. Erum Afzal</b> Assistant Professor, Department of Developmental Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of efficacy and safety of inhaled beclomethasone and oral montelukast for the management of moderate persistent asthma in children
8.	<b>Dr. Mehr Wali Shah</b>	<b>Dr. Ibad Ali</b> Associate Professor of Pediatrics The Children Hospital and The Institute of Child Health Multan	Comparison of efficacy and safety of probiotic with WHO standard treatment versus standard treatment for management of SAM and diarrhea alone at The Children Hospital and The Institute of Child Health, Multan
9.	<b>Dr. Zulfiqar Ali</b>	<b>Prof. Muhammad Azam Khan</b> Head, Department of Pediatrics Unit-II Nishtar Medical University/ Nishtar Hospital, Multan	Comparison of mean total serum bilirubin level after vitamin D plus phototherapy versus phototherapy alone in treatment of neonatal jaundice at a tertiary care hospital

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics** to review MD synopses to be held on **Thursday, 28<sup>th</sup> July 2022**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Ubaid Ullah</b>	<b>Prof. Ayesha Arif</b> Head, Department of Pediatrics Allama Iqbal Medical College/Jinnah Hospital, Lahore	Comparison of efficacy of intravenous magnesium sulphate versus intravenous terbutaline in treatment of pediatric patients presenting with acute severe asthma (Status Asthmaticus)
2.	<b>Dr. Muhammad Tufail</b>	<b>Dr. Wajiha Rizwan</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health Lahore	Comparison of effectiveness of zinc supplementation with ORS and bacillus clausii versus zinc with ORS and saccharomyces boulardi in acute watery diarrhea in pediatric patients
3.	<b>Dr. Amina Tahir</b>	<b>Dr. Afsheen Batool Raza</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health Lahore	Association of iron deficiency anemia with first episode of febrile fit in children presenting between 6 months to 5 years of age
4.	<b>Dr. Hamza Iqbal</b>	<b>Dr. Iqbal Bano</b> Associate Professor of Pediatric The Children Hospital and The Institute of Child Health Lahore	Comparison the effect of iron supplements alone vs iron supplements along with deworming on hemoglobin level of preschool children with anemia
5.	<b>Dr. Maria Hussain</b>	<b>Dr. Sajid Mustafa</b> Associate Professor of Paediatrics Sahiwal Medical College/ DHQ Teaching Hospital, Sahiwal	Efficacy of intermittent versus continuous phototherapy for reducing neonatal hyperbilirubinemia
6.	<b>Dr. Fatima Rafique</b>	<b>Prof. Mukhtar Ahmad</b> Head, Department of Pediatrics D.G Khan Medical College/DHQ Teaching Hospital, D.G. Khan	Comparison of oral versus injectable iron chelation therapy in reducing serum ferritin levels in patients of beta thalassemia major
7.	<b>Dr. Muhammad Irfan Mughal</b>	<b>Prof. Saleem Laghari</b> Professor of Paediatrics Sheikh Zayed Medical College/ Sheikh Zayed Hospital, Rahim Yar Khan	Effectiveness of thalidomide in transfusion dependent thalassemia patients
8.	<b>Dr. Faiz Muhammad</b>		Neuroprotective effects of magnesium sulphate in near term neonates with birth asphyxia
9.	<b>Dr. Muhammad Shujaat Karim</b>		Insure vs Lisa: A comparison of surfactant administration techniques

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of **Synopsis Review Committee in Paediatrics** to review MD synopses to be held on **Monday, 13<sup>th</sup> June 2022**, at **11:00 a.m.**, in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Muhammad Muzammal Rafique</b>	<b>Dr. Samia Naz</b> Associate Professor of Pediatrics The Children Hospital and The Institute of Child Health, Lahore	Comparison of zinc supplementation vs placebo in addition to standard therapy for management of children with pneumonia
2.	<b>Dr. Maryam Arif</b>	<b>Dr. Lubna Riaz</b> Head, Department of Pediatrics Sheikh Zayed Postgraduate Medical Institute/Sheikh Zayed Hospital, Lahore	Comparison of effectiveness and safety of oral sildenafil and intravenous magnesium sulphate in the treatment of persistent pulmonary hypertension in neonates
3.	<b>Dr. Quratulain Sarwar</b>	<b>Dr. Shakeel Ahmed Leghari</b> Associate Professor of Pediatrics D.G Khan Medical College/DHQ Teaching Hospital, D.G. Khan	Comparison of mean serum electrolytes in new born with and without birth asphyxia
4.	<b>Dr. Sana Ullah</b>	<b>Prof. Nuzhat Noreen</b> Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of efficacy and safety of folinic acid and methylcobal versus folinic acid alone with behavioral therapy in management of autism spectrum disorder in children aged 3-14 years
5.	<b>Dr. Misha Majeed</b>		Comparison of efficacy and safety of injectable diazepam versus midazolam for the management of status epilepticus as a first drug in children
6.	<b>Dr. Zahid Hussain</b>	<b>Dr. Muhammad Sohail Arshad</b> Associate Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of safety and efficacy of injectable aminophylline versus injectable caffeine citrate for the management of apnea of prematurity in preterm (<34 weeks) neonates
7.	<b>Dr. Hafiz Muhammad Bilal</b>		Efficacy and safety of hydroxyurea in patients with B-thalassemia major
8.	<b>Dr. Muhammad Tariq Zarkoon</b>	<b>Dr. Sajjad Hussain</b> Assistant Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of efficacy and safety of injectable dexamethasone versus hydrocortisone in moderate acute asthma in children 3 years to 12 Years of age
9.	<b>Dr. Yousaf Hammad</b>	<b>Dr. Erum Afzal</b> Assistant Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of Efficacy and safety of intermittent phototherapy with continuous phototherapy in neonatal jaundice at a tertiary care hospital
10.	<b>Dr. Iqra Naseem Qureshi</b>	<b>Dr. Muhammad Tariq Aziz</b> Assistant Professor of Pediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of cognitive behavioral therapy and antispasmodics (hyoscine butyl bromide) in children for the management of functional abdominal pain

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in **Paediatrics** to review MD synopses to be held on **Tuesday, 1<sup>st</sup> March 2022**, at **11:00 a.m.** in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Luqman Arshad</b>	<b>Dr. Iqbal Bano</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health Lahore	Comparison of efficacy of yogurt and probiotics for the management of acute diarrhea
2.	<b>Dr. Rabia Afsheen</b>		Comparison between chest x-ray and chest ultrasound as an initial investigation for the diagnosis of bronchiolitis in patients presenting in children's hospital Lahore
3.	<b>Dr. Safar Ali Shah</b>		Comparison of bacterial probiotics (bifidobacterium and lactobacillus) versus fungal probiotics (saccharomyces) in treating acute diarrhea in children age 6 months to 5 years
4.	<b>Dr. Shahid Walidad</b>	<b>Dr. Muhammad Khalid Masood</b> Associate Professor of Paediatrics Services Institute of Medical Sciences/ Services Hospital, Lahore	Comparison of mean duration of recovery with and without zinc supplementation as adjunct to antibiotics for treatment of pneumonia in children 3 to 60 months of age
5.	<b>Dr. Hafiz Muhammad Saqib Muied (Revised)</b>	<b>Dr. Muhammad Arshad</b> Associate Professor of Paediatrics Sargodha Medical College/ DHQ Teaching Hospital Sargodha	Comparison of efficacy between sodium valproate and levetiracetam to control generalized seizures in children age 02-12
6.	<b>Dr. Warda Choudhary (Revised)</b>	<b>Prof. Azher Shah</b> Professor of Paediatrics Gujranwala Medical College/ DHQ Teaching Hospital, Gujranwala	Comparison of outcome in bronchiolitis with standard treatment plus 3% hypertonic saline vs standard treatment alone in children 2 months- 2year age group
7.	<b>Dr. Muqdas Naz</b>	<b>Prof. Ittatt Ul Allah Khan Afridi</b> Professor of Paediatrics Nawaz Sharif Medical College/Aziz Bhatti Shaheed Teaching Hospital, Gujrat	Comparison of serum electrolyte derangement between malnourished and non-malnourished children presenting with acute diarrhea at a tertiary care hospital
8.	<b>Dr. Samreen Akhtar</b>	<b>Dr. Zulfiqar Ali</b> Assistant Professor of Paediatrics The Children Hospital and The Institute of Child Health, Multan	Comparison of efficacy and safety of resomal with rice based ors for management of acute diarrhea in children with severe acute malnutrition
9.	<b>Dr. Asad Ahmad</b>	<b>Prof. Mubarak Ali</b> Professor of Paediatrics Sheikh Zayed Medical College/ Sheikh Zayed Hospital, Rahim Yar Khan	Comparison of ringer lactate versus normal saline in increasing mean difference of sodium bicarbonate in children with acute diarrhea
10.	<b>Dr. Taj Mohammad</b>	<b>Prof. Saleem Laghari</b> Professor of Paediatrics Sheikh Zayed Medical College/ Sheikh Zayed Hospital, Rahim Yar Khan	Effect of iron, folate, and B12 supplementation in children with infantile tremor syndrome

# UNIVERSITY OF HEALTH SCIENCES, LAHORE

Agenda of the Meeting of Synopsis Review Committee in **Paediatrics** to review MD synopses to be held on **Monday, 25<sup>th</sup> April 2022**, at **11:00 a.m.** in University of Health Sciences, Lahore.

Sr. No.	Name of Candidate / Specialty	Supervisor	Title
	<b>Dr. Sana Anum (Revised)</b>	<b>Dr. Asma Mushtaq</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparison of Clinical Spectrum of Meningitis in neonates with early vs late onset sepsis in children hospital Lahore
2.	<b>Dr. Sadia Kanwal</b>		Comparison of success rate of bubble continuous positive airway pressure and humidified high flow nasal cannula in respiratory distress syndrome neonates
3.	<b>Dr. Ambreen Amna</b>	<b>Dr. Muhammad Nasir Rana</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparison of RBC indices at 6 months of age in infants on different feeding pattern (i. exclusive months feed ii. Mother feed+ cow's milk iii. Mother feed + formula feed)
4.	<b>Dr. Aamir Sajjad</b>	<b>Dr. Muhammad Sarwar</b> Associate Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparative And Additive efficacy of salbutamol & ipratropium bromide in management of asthma
5.	<b>Dr. Adnan Zafar</b>		Comparative efficacy of magnesium sulphate (MGSO <sub>4</sub> ) & diazepam infusion alone in controlling spasm in tetanus patient
6.	<b>Dr. Haseeb Ahmed Sargana</b>	<b>Prof. Junaid Rashid</b> Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	Comparison of efficacy of levamisole vs cyclophosphamide in patient with steroid dependent nephrotic syndrome (SDNS) and frequently relapsing nephrotic syndrome (FRNS)
7.	<b>Dr. Humaira Liaqat</b>	<b>Prof. Ahsan Waheed Rathore</b> Ex-Medical Director The Children's Hospital and The Institute of Child Health, Lahore	Comparison of clinical spectrum and outcome of children with diphtheria from 2 age groups: below 5 years and above 5 years of age
8.	<b>Dr. Hassan Raza</b>	<b>Prof. Yaseen Alvi</b> Professor of Paediatrics The Children's Hospital and The Institute of Child Health, Lahore	"Compliance, satisfaction & general well Being with Deferoxamine, deferasirox and deferiprone in patients with transfusion dependent thalassemia patients

# UNIVERSITY OF HEALTH SCIENCES, LAHORE
