

**UNIVERSITY OF HEALTH SCIENCES LAHORE**

University Road, Lahore - 54600, Pakistan  
Ph: 042-111-33-33-66 Fax: 042-9230870

Dated: 03-10-2011

This is to remind all Undergraduate and Postgraduate students of Medical, Dental and Allied Health Sciences Institutes that Dengue viral infection is part of the infectious diseases curriculum and that its etiology, signs & symptoms, management, incidence, prevention and all other aspects related to the disease like pathophysiology and biological control can be inquired of in relevant professional examinations of both Undergraduate and Postgraduate, MBBS, BDS and Allied Health Sciences streams of education.

The same may kindly be communicated to faculty and candidates.

A handwritten signature in black ink, appearing to read 'Malik Hussain Mubasshar'.

**Prof. Malik Hussain Mubasshar**  
Hilal-e-Imtiaz, Sitara-e-Imtiaz  
MB, FRCP, FCPS Psych. DPM
