FOREWORD

Welcome to the world of healing, care and compassion.

Medicine and Dentistry are the noblest of professions and attract the most brilliant students. These students demand a system of selection that is duly probing, robust, transparent and fair. University of Health Sciences (UHS) Lahore has always strived to make the whole process of admissions structured and transparent and that is why it is regularly reviewed to ensure that only suitable and capable candidates are admitted. The Government believes that all candidates should have an equal opportunity to show their suitability for the undergraduate course and entry to the medical and dental profession based on the principles of Merit, Justice, Equity and Transparency.

Students joining medical and dental institutions should be ready to accept the challenges that time has brought to and will continue to bring to medicine. It is an exciting time for undergraduate medical and dental education, and the passions, beliefs and enthusiasm of those who will embark on a satisfying and challenging career are well placed to positively influence and advance the undergraduate learning environment in our institutions.

If you enjoy helping people Medicine and Dentistry are the most rewarding careers you can choose. As a doctor you will be involved in diagnosing and treating illness and providing advice and reassurance to your patients. It requires an enquiring mind, the capacity to acquire and maintain high levels of knowledge and the ability to relate to individuals each with their own health needs.

Students, therefore, should be aware of hard work ahead of them as they enter medical and dental colleges. However, from admission to graduation they must feel confident that University of Health Sciences' policies are fair, transparent and equitable.

The Prospectus has been designed to facilitate the applicants. It has been written in a simple language to give a better understanding of selection and admission process. Much of this document focuses on rules and regulations for selection and admission of candidates. Furthermore, it also outlines the courses of study and examination pattern for both MBBS and BDS students.

We look forward to welcoming you to the first step along your career path in Medicine and Dentistry.

The idea was presented before the Father of the Nation, Quaid-e-Azam Muhammad Ali Jinnah, who not only appreciated it but also approved the college to be named after his sister, Mohtarma Fatima Jinnah.

Fatima Jinnah Medical College Lahore was formally inaugurated by the then Prime Minister of Pakistan, Khawaja Nazim-ud-Din, on March 31, 1949. The first principal was Prof. Dr. Shujaat Ali.

C) Age Limit

The Pakistan Medical & Dental Council has abolished the age limit for admission in MBBS/BDS course. There is no minimum or maximum age limit for admission to medical/dental institutions.

ADMISSION PROCEDURE

(A) Calculation of Aggregate Percentage

- (i) After the declaration of official result of the Entrance Test, the admission process for public sector medical and dental colleges will start as per notified schedule.
- (ii) The merit shall be worked out as per the regulations of Pakistan Medical and Dental Council (PMDC), and shall be based on the aggregate percentage of the candidates worked out by adding the marks in the following ratio:

Matriculation (SSC or Equivalent)	–	10%
HSSC/F.Sc (Premedical or Equivalent)	–	40%
Entrance Test	–	50%

- (iii) The Formula for calculation of merit is as follows:

$$\frac{\text{Marks obtained in SSC /Equivalent}}{\text{Total marks of SSC/Equivalent}} \times 1100 \times 0.10 = 10\% \text{ of SSC/Equivalent}$$

$$\frac{\text{Marks obtained in HSSC /Equivalent}}{\text{Total marks of HSSC/Equivalent}} \times 1100 \times 0.40 = 40\% \text{ of HSSC/Equivalent}$$

$$\frac{\text{Marks obtained in Entrance Test /SAT II/MCAT}}{\text{Total marks of Entrance Test /SAT II/MCAT}} \times 1100 \times 0.50 = 50\% \text{ of Admission Test}$$

$$10\% \text{ SSC/Equivalent} + 40\% \text{ HSSC/Equivalent} + 50\% \text{ Admission Test} = \text{Aggregate Marks}$$

$$\frac{\text{Aggregate Marks}}{1100} \times 100 = \text{Aggregate Percentage}$$

Example 1 :

Marks obtained in Matriculation	=	992 / 1050
Marks obtained in HSSC/FSc	=	980 / 1100
Marks obtained in Entrance Test	=	970 / 1100

By applying the aforementioned formula:

$$992 / 1050 \times 1100 \times 0.10 = 103.92$$

$$980/1100 \times 1100 \times 0.40 = 392$$

$$970/1100 \times 1100 \times 0.50 = 485$$

$$\text{Aggregate Marks} = 103.92 + 392 + 485 = 980.92$$

$$\text{Aggregate Percentage} = 980.92 / 1100 \times 100 = \mathbf{89.1745}$$

Example 2 :

Equivalence of O-Level	=	812/900
Equivalence of A-Level	=	925/1100
SAT II Score	=	2100/2400

$$812/900 \times 1100 \times 0.10 = 99.24$$

$$925/1100 \times 1100 \times 0.40 = 370$$

$$2100/2400 \times 1100 \times 0.50 = 481.25$$

$$\text{Aggregate Marks} = 99.24 + 370 + 481.25 = 950.49$$

$$\text{Aggregate Percentage} = 950.49/1100 \times 100 = 86.4081$$

- (iv) Final calculation in percentage will be rounded up to four decimal points.
- (v) No marks will be deducted for extra attempts availed in HSSC/FSc examination by the candidate beyond the period two years after passing the SSC/ Matriculation annual examination.

- (iii) Starting with the first preference, applicants will be assessed and ranked according to the merit for each college. A computerized matching process will allocate applicants meeting the minimum merit requirements a place to the highest listed preference for which they are eligible.
- (iv) Once offered a place to the highest listed preference, an applicant cannot demand admission to a college named lower in his/her preferred list.
- (v) **An applicant, under no circumstances, shall be considered for a college, he/she has not named in his/her order of preferences. The Admitting Authority shall not assign a college by itself if the alternate choices are not indicated.**
- (vi) Applicants are advised not to name their preferred college repeatedly in every space on the Admission Form. Similarly, it is also pointless to name only one college. In either case, the applicant will receive a single place on the list for that college and it will not increase the chances of his/her being allocated a seat in that particular college.
- (vii) Only those candidates applying for admission against Open Merit seats can opt for all the public sector medical/dental colleges of the Punjab. Those applying for admission against any category of reserved seats only (and not for Open Merit seats) can opt for only those colleges where these reserved seats are available.
