PROGRAM

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

CHIEF MINISTER'S OFFICE PUNJAB

MESSAGE FROM CHIEF MINISTER PUNJAB

It is a great pleasure for Punjab Government to welcome the medical education professionals from both the national and international institutions to participate in the Association for Excellence in Medical Education AEME Conference 2014, in partnership with Isra University Hyderabad-Karachi-Islamabad Pakistan and University of Health Sciences Lahore Pakistan. The AEME Conference in Lahore, is a great opportunity to exchange knowledge, to learn new methodologies and to know about peer network with professionals from both the regional and international level.

The endeavor of organizing the AEME Conference is aligned to the educational facet of the strategic objectives of the Government of Pakistan and the contributions of this significant event will facilitate the development of the Health Profession Education Sector and will further strengthen the foundation of all high performing medical education systems. Though many significant improvements in medical training have, and continue to occur, the value of conferences such as this one cannot be overlooked. We are pleased to support such a prestigious forum of international and regional world leaders in medical education confident that interesting and productive conversations and connections will occur during the course of this conference, and with the practice of new advances, the patient care & safety will also enhance tremendously.

I hope that this occasion will prove to be a forceful impetus to Medical Educators and allied health professionals. I would like to wish to all participants a pleasant stay in Lahore with many returns and extend my appreciation for your dedication to this exceptional pursuit of excellence. May Allah make this conference a great success and fulfill the objectives it carries.

Muhammad Shahbaz Sharif
