Part 5 – Declaration of Preferences

VERY IMPORTANT

- (1) *When filling out the application, every applicant has to rank the medical and dental colleges in order of preference, starting with his/her first choice. In other words, all eligible candidates are allowed to list up the full names of medical and dental colleges in the order that they would like to be considered for admission.*
- (2) **The order of preferences once given shall be final and cannot be changed subsequently. This condition is mandatory and neither any subsequent change is entertainable nor any exceptions will be made.**
- (3) *Starting with the first preference, applicants will be assessed and ranked according to the merit for each college. A computerized matching process will allocate applicants meeting the minimum merit requirements a place to the highest listed preference for which they are eligible.*
- (4) *Once offered a place to the highest listed preference, an applicant cannot demand admission to a college named lower in his/her preferred list.*
- (5) ***An applicant, under no circumstances, shall be considered for a college, he/she has not named in his/her order of preferences. The Admitting Authority shall not assign a college by itself if the alternate choices are not indicated.***
- (6) *Applicants are advised not to name their preferred college repeatedly in every space on the Admission Form. Similarly, it is also pointless to name only one college. In either case, the applicant will receive a single place on the list for that college and it will not increase the chances of his/her being allocated a seat in that particular college.*
- (7) *Do not use abbreviations. Cutting / erasing / over writing is not allowed.*
- (8) *The applicant is required to opt for medical colleges offering MBBS and dental colleges offering BDS on the same form. He/she cannot submit separate forms for MBBS and BDS.*
- (9) *Only the candidates eligible for Foreign/Self-Finance Category can tick (✓) both Open Merit and Foreign/Self-Finance Categories.*
- (10) *The selected candidate must join his/her college for which he/she is selected after submitting the due fee within Seven (07) days of display of the merit list after which his/her admission shall stand cancelled automatically.*
- (11) *Only those selected candidates who will join their respective colleges will be considered for betterment/up-gradation in the subsequent round depending on the availability of vacant seats. The betterment/up-gradation herein means the higher preference exercised by the candidate. The shift in such up-gradation shall be compulsory and mandatory. No request for mutual transfer or status retention or down-gradation shall be entertained.*
