This is with reference to the advertisement that appeared in daily Jang and The Dawn on October 23, 2019 (SPL # 1279).

1. For all those candidates who have successfully applied online for admissions within due date, the portal (<https://www.bop.com.pk/UHS/AJK/Login.aspx>) will reopen for entering choice of colleges in order of preference from **11th December (09:00 AM to 13th December, 2019 (05:00 PM).**
2. In order to facilitate the candidates, they will also be given an opportunity to prioritize the categories of seats on which they want themselves to be considered for admissions. This means that before entering their preference for colleges, the candidates will be required to rank the categories of seats {i.e., Open Merit, District Quota, Reciprocal MBBS (Seats in Pakistani Medical Colleges), Reciprocal BDS(Seats in Pakistani Dental Colleges), Overseas, Disabled, Doctor's Children, Self-Finance, Neelam & Leepa, Refugee 1947, and Refugee 1989} in the order in which they wish themselves to be considered for admissions. The candidate should not select a category for which he/she is not eligible. **It shall be mandatory for candidates to select atleast one (01) category of seat.**
3. After selecting the categories of seats, the candidate shall be able to give preference of colleges (**at the most three colleges**) against each of the selected categories of seats. The preference of colleges and priority for categories of seats once submitted shall not be changed subsequently. After entering the names of three colleges, at the most, against each of the selected categories of seats, the candidate must "Save & Submit" to lock his/her priority and preference lists.
4. A candidate selected against a specific category of seats shall lose right of admission in categories ranked below that specific category. However, the right of admission shall remain intact in the categories ranked above that category in which admission is offered in first place.
